

Santhosh Pandiyan

Software Developer

santhoshkannan525@gmail.com | github.com/SANDY655 | LinkedIn: santhosh-pandiyan-k-42b771290

Profile

Software Developer building web apps and websites for founders and small teams. React on the front, Node and Express on the back. Available for freelance.

Experience

Software Developer Intern, Cafy Careers

Dec 2025 till Present

Contributed to live UK career products as part of the internship team: public site, resume tools, and the career assistant app. Not a solo build.

Frontend Developer Intern, STARLABS Technologies

Jun 2025 - Aug 2025

Frontend internship focused on interface implementation and delivery with the team.

Full Stack Developer Intern, FireBee Techno Services

May 2025

Short full-stack internship covering web application work.
